ACTIVITIES/EXPERIENCE

Volunteer, Meridian Public Schools

September 2017 – July 2018

- Helped lead a high school-driven mentoring project that helped many children from fifth to eighth grade.
- I assisted with assigning high school students to individual classrooms that helped younger students with academic trouble.

Internship, The Rock Center for Youth Development

January 2020 – April 2020

- I was given the responsibility of entering new youth members into the center's database and updating existing members when needed.
- Assisted with mentoring and tutoring the youth members in computer-related skills.

Volunteer, Saginaw Valley State University

August 2022 – April 2023

- Tasked with generating ideas on a new course scheduling system for the CSIS department
- Completed a feasibility study to prove that my group's idea of a new system was 100% achievable within the timeframe given
- Created and executed functional tests to evaluate the course scheduling system as it was developed
